Bilingual MC(ENG/JPN)
Voice-over Artist

【Background】
Started her career as a child stage actor. After graduating from university, she began working as a Japanese-English bilingual narrator alongside a corporate career. Leveraging her background in academia and startups, as well as her experience in parenting, she hosts a wide range of events in Japanese and English, from academic symposiums to family events as a Tohoku-based MC. As an entrepreneur, she is also active in social contribution, serving as a founding member and board member of an NPO supporting female entrepreneurship and diverse workstyles.
