Multilingual MC（English/Italian）
Narrator

Born in Germany, I graduated from elementary school in Japan before moving to Belgium (Brussels) due to family circumstances. I attended a Japanese boarding school in the UK for two years, during which I learned English. After gaining experience in commercials and narration, I lived in Italy (Rome) for three years after marriage, where I also learned Italian. Currently active as a trilingual MC for events and weddings in Japanese, English, and Italian.

Basic greetings in French are also possible.
