Bilingual MC (English)
Tarento

•[Career] After attending high school in Canada, she returned to Japan and enrolled at Keio University.

•During her university years, she began working as an English interpreter and launched her career as a freelance announcer. She later entered Waseda University Graduate School, and subsequently worked as an English interpreter for television programs at Fuji Television's News Department.

•Alongside her interpretation work, she has continuously been active as a bilingual MC (Japanese–English), hosting a wide range of events, including talk shows, fan meetings, charity events, and international galas.
